## TATIO GEYSERS

---

5:30 am - 12 pm (summer) | 6:30 am - 12 pm (winter)

**2 acclimatization days are required, warm clothing, sunglasses and swimsuit.**

Tour at dawn by the geothermal field where we visit the 4 largest and most representative geysers. After breakfast, you can take a bath in a rustic hot spring pool, to continue the tour to the village of Machuca.

**Includes Breakfast.**

## MOON VALLEY

---

9 am to 1 pm

4:30 pm to 8:30 pm (summer) | 3 pm to 7 pm (winter)

**Doesn't require previous acclimatization. Trekking clothing and shoes, lots of sunscreen, and a windbreaker jacket is required.**

This valley is one of the most distinctive attractions of San Pedro de Atacama. Visit different places and finish the tour sharing a meal in a beautiful lookout point where we watch the sunset.

**Includes Cocktail.**

## HIKING GUATÍN

---

9 am - 1 pm

4 pm - 8:30 pm (summer) | 3 pm - 7 pm (winter)

**Physical requirements: must be able to walk/climb down mountain areas.**

During two hours we're going to walk down through the valley of Guatín, 3 kilometers, beside Vilama River. The environment, specifically plants are mainly composed for fox tails and giant cardon cactus, which are huge and can grow to nearly 10 meters height. **Includes Lunch Box.**

## CHAXA LAGOON

---

9 am - 1 pm

4 pm - 8:30 pm (summer) | 3 pm - 7:30 pm (winter)

**Acclimatization is not required.**

**Trekking clothing, shoes/ comfortable clothing, lots of sunscreen and a windbreaker jacket is required.**

In this excursion we visit the Toconao town, its church, markets and local handicraft shops. Then we go into the core of the Atacama Salt flat to visiting the beautiful lagoon inhabited by flamingos. **Includes Cocktail.**

## HIGH PLATEAU LAGOONS

---

9 am - 4 pm

**2 acclimatization days are required, warm clothing, sunscreen.**

Know one of the most beautiful places. Located in the Andes mountain range and over 13.780 ft. average, the high Andean lagoons Miscanti, Miñiques and of the red stones in the salt flat of Talar, gives to us an spectacular view of the Andean life. **Includes Lunch.**

## RAINBOW VALLEY AND RÍO GRANDE TOWN

---

9 am - 3:30 pm

**Acclimatization is not required, trekking clothing and lots of sunscreen are required.**

We will visit Yerbas Buenas, a rock island with rock art narrating the ancient history of the Lican-Antay people. Then we will share a picnic in the Rainbow Valley with impressive mountains of colors and we will observe the composition of the soil on the skirt of Domeyko's mountain range. Where you will also visit Río Grande the picturesque town and its beautiful landscapes. **Includes Lunch.**

### DEVIL'S THROAT BIKING

---

4 pm - 7 pm (summer) | 3 pm - 6 pm (winter)

**It does not require prior acclimatization. Trekking pants (short or long) comfortable shoes and sun protection. HIGH requirement level.**

It is a walk of about 24km. through the interior of a canyon within the Sal mountain range in the Catarpe sector crossing the San Pedro river and reaching the San Isidro chapel.

### PURITAMA HOT SPRINGS + PHOTOGRAPHIC TREKKING

---

8 am - 2 pm

**Acclimatization is not required. Trekking clothing, swimsuit, lots of sunscreen and a windbreaker jacket is required.**

Enjoy the hot springs in an outdoor spot of the Andes Mountains in a beautiful landscape where the river Puritama ("hot water" in kunza) makes 8 different rustic wells which have fluctuating temperatures between 29 and 33°C. **Includes Lunch.**

### HIKING CORNISAS

---

4 pm - 8 pm (summer) | 3 pm - 7 pm (winter)

**It does not require acclimatization, wear Trekking shoes, windbreaker, backpack and sun protection.**

We start by vehicle from the hotel to reach the old Quito tunnel, then climb the cornices of the Valle de la Muerte, appreciate the Sal and Los Andes mountain range, the San Pedro ayllus and the Domeyko mountain range. After getting off the dune, the vehicle will be waiting for us to return to the hotel. **Includes Lunch Box.**

### GASTRONOMIC ROUTE OF THE DESERT [WINE TASTING]

---

9 am - 4 pm Puques Talabre Quezala Full

9 am - 1 pm Talabre Quezala Half

**Does not require prior acclimatization, wear shoes.**

We will enter one of the driest desert of the planet to taste its wines and guided by locals, then we will move to Talabre at the foot of the Lascar Volcano, where we will go down to a canyon with rock art, ancestral place of llama caravans, dates from the year 3600 BC, in this town we will eat organic food free of chemicals and llama meat, meat without cholesterol, accompanied by organic grains.

### ARCHAEOLOGICAL

---

9 am - 1 pm

**It does not require prior acclimatization, wear Trekking shoes and sun protection. Level of requirement low.**

You will visit the ruins of Tulo and Pucará de Quito, learning about the history and evolution of the Atacameño people, visit to the museum and local craft store.

### ASTRONOMICAL TOUR

---

4 pm - 7 pm (summer) | 9:30 pm - 10:30 pm (winter)

**It does not require prior acclimatization, wear warm clothes and closed footwear.**

The tour is carried out by amateur guides of the hotel, and consists of an explanatory talk, observation at a glance with a telescope, learning to recognize the main constellations and orienting oneself with the stars, in the salt plaza of our cozy hotel.

### TEBINQUINCHE AND LAGUNA CEJAR FULL

---

9 am - 3 pm

**Given the characteristics of the tour, we recommend wearing long trousers and windproof jacket. Medium / High difficulty.**

Lagoon that is located in the Salar de Atacama, is a beautiful natural mirror that is reflected in it the Andes mountain range, the water with 40% of salt, allows you to take an unforgettable bath where you can float without the slightest effort. **Includes Lunch.**

### RED STONES AND TUYACTO

---

9 am - 3 pm

**2 acclimatization days are required, warm clothing, sunscreen.**

The red stones in the talar salt flat and flat Tuyacto, gives to us an spectacular view of the Andean life. **Includes Lunch.**

### MTB LAGUNA CEJAR

---

9 am - 1 pm

**Given the characteristics of the tour, we recommend wearing long trousers and windproof jacket. Medium / High difficulty.**

Bicycle tour of 17 km round trip by vehicle to visit the first lagoons of the northern Salar de Atacama. It includes the experience of floating in the Laguna Piedra, thanks to its density that gives the large amount of salt, after which a 10-minute walk is made to the Cejar lagoon. **Includes Lunch Box.**

### YOGA IN THE DESERT

---

9 am - 10 am

6 pm - 7 pm

**Dress light and comfortable clothes. It is recommended to use sunscreen. Minimum 4 passengers.**

The Square of Salt from our hotel becomes the perfect setting for a relaxing yoga class.

### RECOMMENDATIONS

The excursions above 4.000 meters, such as the Tatio Geysers, the High Plateau Lagoons or Tara salt flat, requires acclimatization of at least 2 days from the arrival in San Pedro de Atacama.

If you are going to cancel an AM excursion it must be done before 19:00 of the previous day, and before 10:00 am of the same day for PM excursions. Otherwise, you will be charged 50 % of the tour's value or in the case of having the excursions included in your program the excursion will be considered completed.
